

Description

The BSE Healthcare is designed to provide investors with a benchmark reflecting companies included in the BSE AllCap that are classified as members of the healthcare sector. It was launched on 25th February 2022.

The index can be used by Mutual Funds for running passive strategies such as ETFs and Index Funds as well as gauging the performance of companies in the index. This index can also be used for benchmarking of PMS strategies, active MF Schemes and other investment portfolios.
